How to Utilize the Transfer Guide

Checking Transfer Guide for transfer course equivalencies

- Open the [Transfer Guide](#) on the ASU website.
- Click on the Class Search tab at the top of the page.

The screenshot shows the ASU Transfer Guide website. At the top left is the ASU logo (Arizona State University). To its right is the title "Transfer Guide". Below the title is a navigation menu with a home icon, "Course Search" (highlighted with a red box), "MyPath2ASU", "Exam Search", and "Student Resources". In the top right corner is a yellow "Sign Up" button. The main content area features a large banner with the text "Take the guesswork out of transfer work." over a background image of silhouettes of people with their arms raised against a sunset. Below the banner, there is a section titled "Create your personalized course-by-course path to ASU!" with three bullet points: "Create your MyPath2ASU™" (with a book icon), "Sign up and track your degree progress" (with a checkmark icon), and "Save your transfer courses" (with a heart icon). A red "Get Started" button is located at the bottom left of this section. To the right of the text is a smaller version of the sunset silhouette image.
